

Curriculum vitae

I have been practicing Gastroenterology on Rodos Island since 1996. I received my Medical Degree from the University of Athens Medical School and served in the Medical Corps of the Hellenic Army for 18 months. I was granted a Mombusho Scholarship from the Ministry of Education of Japan and studied clinical gastroenterology at the Tsukuba University Medical School.

After a four-year postgraduate course I received a PhD degree from the Department of Medical Physiology of the Tsukuba University, Japan.
